

National Alliance on Mental Illness

NAMI Central Iowa

The 2018 legislative session is back in full swing and issues related to mental health or other topics important to you may be discussed. It's vital that you share your viewpoints with your senator or representative.

Tips for advocacy:

- Call, email or meet with your legislator
- Reference the bill number you want to discuss
- State if you are for or against the bill and why.
- Provide your contact information so they can contact you.
- Be Respectful

If you don't know who your legislator is, go to www.legis.iowa.gov and click on "Find your Legislator".

Your voice, your opinions and your suggestions help your elected official make decisions.
